THE THIRD ASIA CONFERENCE ON MACHINE LEARNING

Organized by National Taiwan University, National Central University, Academia Sinica.

INTRODUCTION

The 3rd Asian Conference on Machine Learning (ACML2011) will be held on November 13-15, 2011, at South Garden Hotels and Resorts in Taoyuan, Taiwan. The conference aims at providing a leading international forum for researchers in machine learning and related fields to share their new ideas and achievements. Submissions from other than the Asia-Pacific regions are also highly encouraged. The conference calls for research papers reporting original investigation results. The conference also solicits proposals focusing on frontier research in all aspects of machine learning.
